"The Leading Western Newspaper."

The Kansas City Times has earned the above  
title by always being in the foremost rank  
of the metropolitan western newspapers in ad-  
vocating the interests of the West. In the east-  
ern money centers the Times is looked upon  
as the best reflector of the condition of the  
West, and this puts it in the position of being  
the best advocate the West can have. It has  
not let its opportunities pass, but on every  
occasion has done all in its power toward the  
upbuilding of this great Western country.  
Among the principal things it has advocated,  
some of which have been successful, are:

Opening of Oklahoma;  
Opening of the Cherokee Strip;  
Irrigation for the arid regions;  
Cheap transportation for Kansas.

In this good work the Kansas City Times  
solicits the support of every Western man. Its  
Daily is the brightest and best edited in the  
West, and its Weekly, with its twelve large  
pages, ranks with any weekly newspaper in the  
world.

The Kansas City Times was also the first to  
inaugurate the system of fast trains out of  
Kansas City carrying the regular edition of the  
Sunday Times and distributing it over Kansas  
two hundred miles west by eight o'clock a. m.,  
three hours before the regular train leaves Kan-  
sas City.
